Ruffle Some Feathers and Take the Plunge

1st Great Duck Race

The Great Duck Race will be a community fair for families. The day will culminate in the dumping of 5000 rubber ducks into the Tar River. Ducks will be raced down the river to guide 3 ducks to cross the finish line and the "owners" of those ducks will win cash prizes.

How does the duck race work?

For the eight weeks prior to The Great Duck Race event, the Young Professionals of Pitt County, along with friends and corporate partners in Greenville, will be offering rubber ducks for adoption both in person or online. Adopters will receive a paper adoption certificate but the actual rubber ducks will be retained by the Young Professionals and tagged with each adopters tag number. On event day, all the ducks will be dumped into the river and a few lucky ducks will be plucked. Their tag numbers will indicate the winners, and those names will be announced live at the event. (Need not be present to win.)
